Features

Music YOYO PRO is a tiny and stylish multi-functional MP3 player with strong and practical functions, such as integrated voice and FM recorder, FM tuner, language learning, timer-on and line-in features.

With distinguishing exterior design, high contrast LCD display and the unique YOYO button, Music YOYO PRO offers consumers a stylish and tiny device for music playback on the move. In addition, Music YOYO PRO gives you more than most MP3 players in the market. It not only provides five preset equalizer modes but also supports equalizer setting to allow you adjust the tone. Another unique feature in Music YOYO PRO is the incorporation of line-in MP3 direct recording-you can connect the MP3 player to any audio device and the external audio source will record in MP3 format without using a computer.

The integrated FM tuner enables you to preset up to 20 favorite stations and records up to 66 hours of sound with the 256MB version. The timer-on function allows users to schedule MP3 recordings of radio programs or voice recording. It also allows the player being set up as an alarm to play MP3 music or radio program at preset time. Moreover, Music YOYO PRO comes with interval repeat function and is perfect for language learning.

Music YOYO Pro has an outstanding battery life of up to 12 hours for music playback or 24 hours for radio listening on a single AAA battery. It comes in three colors, white, pink and blue.

- MP3 Digital Music Player
- USB Flash Drive
- Hi-Fi Digital Recorder (MP3 Encoding)
